

3-3-3 PLAN

How to make National Marketing Director in as Little as 6 Months

*“The most duplicatable, results-driven program
we have ever seen!”*

~ Mick & Jenny Daly, NMD, 39 Club

The Power of Residual Income

3 You are not limited to sponsoring 3 people.

9 On average, each Juice Plus+ Rep has about 9 Customers (some have many more!)

27 So, let's multiply **364** by 10 (JP+ consumers)

81 Your business would have almost **4,000** people eating Juice Plus+ every day.

243

364 If you only made \$1 on each, you would be making **\$4,000/month** in residual income (and we do make more than that).

Any of those 4,000 can do what you have done and more!
