

3 Ways to be Part of Our Mission of *Inspiring Healthy Living Around the World*

_____ **1. Yes, I want to become a customer and add Juice Plus+ to my diet!** Becoming a customer is the very reason that our mission exists! Healthier families equal healthier communities!

_____ **2. Yes, I want to take part in the *Healthy Living Plan* and inspire two other households to add Juice Plus+ to their diet!**

- You receive money back on your own orders by becoming a Juice Plus+ Representative for only \$50 a year.
- You can receive over \$200 by sharing Juice Plus+ with 2 other friends in the next 30 days. Remember that children ages 4 years-old through college-age are eligible to receive free Juice Plus+ for four years through the Children's Health Study so sharing this gift of health with others is very exciting!

_____ **3. Yes, I want to start sharing Juice Plus+ with even more people in my life!** Not only will you be helping to expand our mission, but we will be able to make a greater impact *Inspiring Healthy Living Around the World*.
