

THE MAKER OF JUICE PLUS+®

May 21, 2012

To Whom It May Concern:

NSA, LLC Statement on Gluten in Juice Plus+® Products for the U.S.

The Juice Plus+® products are manufactured for NSA by contract manufacturers. These products are regularly tested using Tepnel ELISA methodology (AOAC method 991.19) for the presence of gluten. Our products contain no wheat, barley or rye, and the results show they contain less than 20 parts per million gluten, which is the FDA proposed regulation for gluten-free food products in the United States.

Sincerely,

A handwritten signature in black ink that reads "C. Madero". The signature is written in a cursive style with a horizontal line underneath the name.
