

Own Your Life, Own Your Health

Event Outline

- Welcome... *“At the end of this short presentation you will be given 4 choices. Choice #1 is that you can walk out of here (after another glass of wine!) and do absolutely nothing ... and that’s fine!”*

 - *“Close your eyes and imagine everyone you know in a large room. Who of these people:*

 - *Would like their children to be sick less often?*
 - *Would like to have more energy?*
 - *Know someone in the midst of a health challenge?*
 - *Would like to slim down?*Ask them to open their eyes and tell you what percentage of people at least one of those things would apply to. Obviously it’s 100%.
 - Close eyes again and this time ask *“Who in the room:*
 - *Want more income to help with increased expenses or financial challenges?*
 - *Dislikes their occupation?*
 - *Would like to work from home- especially moms?*
 - *Would like to enjoy debt-free holidays?*
 - *Would like to travel or take vacations?*
 - *Are women who want to build something successful to call their own?*
 - *Has a family that would be kept intact by just a few extra hundred dollars each month.*Open eyes. Again, it is 100%
- 45 Second Presentation
 - *“When you subtract out the sleeping time, commuting time, working time and time for things you have to do each and every day of your life, most people don’t have more than one or two hours each day to do what they like to do- and then, would they have the money to do it? We have discovered a way for you to learn how to “Own Your Life” by building a home-based business, and we use a system that is so simple, anyone can do it. It doesn’t require selling and the best part is it won’t take much of your time.”*

Give them fake checks for \$100 and \$250 to represent the bonus money. This is fun, interactive, and will get some laughs.
