***SEE PAGE 2 FOR REQUIREMENT AND REWARD DETAILS**

REQUIREMENT DETAILS:

Orders must be placed by 5 new preferred customer from at least 2 different households.

Juice Plus+ Partners may not pay for their customers' orders.

Transferring existing customer orders between Partners to meet requirements is not permitted.

A new customer is one who has not had a Juice Plus+ order in at least 2 years.

A new frontline team member is one who has not been a Partner in at least 2 years.

The new frontline team member must have a new customer order. (If they are one of your new customers and become your new frontline team member in the same month, their own personal order can count as their new customer order.)

If one of your new customers becomes your new frontline team member (new customer order and app in same month), they will still count as part of your new customer count.

If an existing customer becomes a new frontline team member (order commissioned in a prior month), they must place a new customer order in addition to their existing order.

REWARD DETAILS:

If 5-1 is not earned consecutively, the reward drops back to \$100 for restart.

Example:

Meet above requirements in December- Earn \$100 reward

Meet above requirements in January - Earn \$200 reward

Do not meet above requirements in January - No reward

Meet above requirements in February - Earn \$100 reward

No reward can be paid if there are holds on accounts/orders or if orders are cancelled.

Incentives will be reviewed after payroll runs each month.
