FAQ ABOUT JUICE PLUS+

Is it expensive?

I've found if people can't afford to stay healthy, they really can't afford to be sick. It's amazing how medical appointments and medications can add up. At less than \$3.00/day, Juice Plus+ is less than a cup of coffee.

② Why do I need Juice Plus+ if I already take vitamins?

Juice Plus+ is very, very different from vitamins. It's whole food-based, so you are getting the benefit of thousands of plant nutrients that are not present in multivitamins.

Is ID+ a substitute for eating fruits and vegetables?

- No! Everyone should try and eat as many servings of fruits and veggies as they can every day, as recommended by nutrition professionals. Juice Plus+ complements your diet and helps you "bridge the gap" between what you should eat and what you actually eat every day.
- Why can't I buy it a month at a time? Poor health doesn't happen overnight; the same applies to good health. The 4-month commitment will give you a reasonable amount of time to fully recognize the benefits of eating Juice Plus+.
- I already eat lots of fruits and vegetables.

That is great! I strive to eat half my plate of fruits and veggies at each meal too, but like most people, I don't on a daily basis. And I definitely don't eat the variety I should. I see JP+ as an insurance policy that complements my diet every day.

QUALIFYING YOUR BUSINESS TRACKER

One of the most important pieces to success is building a customer base. Just like building a house, this will become a solid foundation for your business and establish a consistent income. The goal is 24 trio customers (or 1,800 payline points processing monthly). This creates what we call a "QUALIFIED" business.

Each line below represents 300 promotional product volume points.

HOW TO POST ON SOCIAL MEDIA

■ BE REAL AND AUTHENTIC

People follow your social media because they like you!

- Post pictures of yourself and your family.
- Post about your struggles as well as your successes.
- · Connect with others and interact with them.

CREATE CURIOSITY

We want to persuade customers to want to learn more about Juice Plus+

- Do NOT say "I am selling Juice Plus+. Who wants to buy it." People will block you.
- Do drip feed information or use teasers to get

people to interact. POST CONSISTENTLY

The best way to gain a following is to post consistently.

- · Post on all social media platforms.
- · Post about multiple aspects of your life. What you like to do for fun, exercise, family, etc...
- · Post about Juice Plus+/Wellness weekly on your wall. Use appealing images.
- Post about Juice Plus+ on your "stories" daily!
- You want to be posting enough so that when people look for a solution, they think of you.

DO NOT MAKE HEALTH OR INCOME CLAIMS ON SOCIAL MEDIA

WHERE CAN YOU LEARN MORE ABOUT POSTING ON SOCIAL MEDIA?

- THE JUICE PLUS+ HUB ON WWW.JUICEPLUS.COM
- CAMPBELL TEAM BOARDS-- SOCIAL MEDIA

MAKE POSTS ABOUT YOUR LIFE, NOT JUST JUICE PLUS+. PEOPLE FOLLOW YOU BECAUSE THEY WANT TO SEE YOUR LIFE!

CUSTOMER CARE

5 STEPS FOR MAINTAINING A STRONG CUSTOMER BASE FOR YEARS

Fill out a customer profile form on each customer-see Boards for this form and more customer care ideas.

Put reminder dates on your calendar so you can remember to follow up on days 1, 7, 14, 21, 30, 60, 90.

Ask your customer how they would like you to follow up: phone calls, text or email.

Keep good communication and check in with them before their product ships again so that you know they are ready. The number one reason people cancel is because they got a shipment they weren't expecting.

Add your customers to your customer Facebook groups for ongoing education.

CREATE A LIST

Creating a List will help you as you are having conversations, inviting to events and thinking of who else you want to share Juice Plus+ with.

Start with 20 of your closest family and friends and add to it as you think of people in your life such as church groups, those you do business with, people you went to school with, kids friend's parents, co-workers, those that are sick, anyone into fitness, neighbors... Then go through the contacts on your phone and social media.
