There are two ways that you can qualify for the Sales Coordinator position. For simplicity, each of these approaches has been given its own compensation plan worksheet.

Sales Coordinator Track 1: "TEAM TRACK"

- This track remains the same and the worksheet is the same.
- It has a dual focus: Getting Customers and Building a Team.
- Ideal for people passionate about sharing our mission by adding customers and team.

Sales Coordinator Track 2: "CUSTOMER TRACK"

- This track is new and has a completely new worksheet.
- It is singularly focused: Adding Customers. Adding new team members is optional.
- Ideal for people who have an existing clientele or large social media following and are passionate about sharing our mission by adding customers.

This flexibility is wonderful! You get to choose which approach works best for your personal goals and use that worksheet to plan and track your progress. It's important to remember that customers and team are allowed in both tracks, however each has unique requirements to achieve the Sales Coordinator Title.

If you have any questions, please contact your upline support team or contact Juice Plus+ Business Support.
